**MAURITS FAN'T FJILDHÛS - 201200480 (DRIES421 X TSJERK 328)**

Drachten, 30th of January 2017

Dear Mr. Beblot and Mrs. Urbaniak,

Herewith I declare that the following stallion received a breeding permit for 20 mares within Poland for the year 2017 & 2018.

**MAURITS FAN'T FJILDHÛS – 201200480 (DRIES421 X TSJERK 328)**

We need to see Maurits and in the future his offspring at the inspection in 2017. After this 2 breeding seasons we decide if he will get a new breeding permit for 2019. We take a look at the number and quality of his offspring and of course Marco himself. Please note that the stallion must cover 5 mares each year (check the regulations) to keep his permit.

Please take a good note of the regulations, when you have questions about this please let me know.

Sincerely,

i.o. 

Inspection K.F.P.S.

- After every breeding the stallion owner has to fill in the digital breeding certificate and send it within 2 weeks to the K.F.P.S. then you receive the original birth certificate. When we don't receive the breeding papers the horse can only be registered after he got a DNA-test ( € ± 150,-).  
You can send it also by fax t.a.v. Trijnie Duin: 0031-512 532146 and by mail: [trijnieduin@kfps.nl](mailto:trijnieduin@kfps.nl).
